SAM MALOOF

Settee

USA, 1996 | figured maple, ebony, lead
29½ h × 38½ w × 21¼ d in (75 × 98 × 54 cm)

Incised signature, date, number, date and woodworker's initials to underside 'No. 16 1996 Sam Maloof
d.f.a. r.i.s.d. © M.J. L.W. D.W.'

Provenance: Important Private Collection

Literature: *Sam Maloof, Woodworker, Maloof*, ppg. 145, 147 *The Furniture of Sam Maloof*, Adamson,
pg. 228

Condition: Excellent condition, with very few signs of use. There is one stable and minor hairline separation to a seam of the left armrest, and also around the seat joints. One round soft metal plug to the backrest is likely a rifle slug, left in the wood intentionally as a decorative detail. Settee is structurally sound and presents very well. Please note this work may require the buyer to obtain a CITES permit to export out of the United States. Due to increased scrutiny regarding the issuance of CITES certificates, we cannot guarantee an export permit will be granted.
